Clerk to the Council : David J Siggs

Birdham Parish Playing Field Parish Survey

One of the actions noted in our recently approved Neighbourhood Plan was to seek funds to improve drainage and facilities on the village playing field. Some funds have now become available, but to access these funds the Parish Council needs to provide evidence that these facilities are what the village wants. This survey seeks to provide such evidence.

All completed forms will be eligible to enter a prize draw, and the first form drawn will win a £20.00 shopping voucher.

The Parish Council has identified 4 options, and would like you to rank these in order of preference. None of these options includes the building of houses.

Please rank these options in your order of preference, by entering a number from 1 to 4 in the box alongside the option. 1 would be for the most preferred option, 4 for the least preferred option.

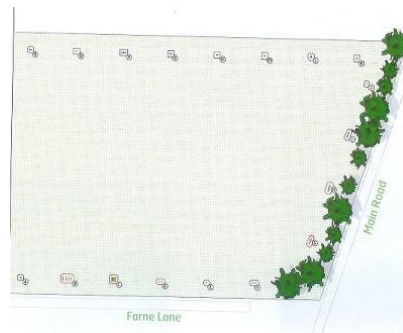

The options are:

Preference

Two or three items of equipment for the existing children's playground, including disabled facilities, similar to those pictured here.

1. About 19 items of exercise equipment for teenagers and adults. Items laid out around edge of field to form a fitness trail.

2. Hard surface all weather footpath along 1 side of the field.

3. Better provision for ball games.

Any Other Comments:

Address

Please drop the completed form in the box provided at Birdham Stores by Monday 11th July.

Personal information submitted will be used only by the Parish Council for the purpose of this survey, and for the selection of a prize winner. No personal information will be passed to any 3rd party.
