The data is stored within the European Union as per the GDPR regulation to which UK agreed for post Brexit.
- ✦ Members of the public must be aware of Data Protection laws concerning the filming or recording of other people and respect their rights, particularly with regard to the filming or recording of minors
- ✦ Meetings or parts of meetings from which the press and public are excluded may not be filmed or recorded
- ✦ Recording or filming may only be done in a non-disruptive manner. The Chair has the right to stop proceedings and take appropriate action if she/he deems the recording or filming to be disruptive and/or it is contravening the rights of those present
- ✦ The Council asks those who are recording proceedings, not to edit the film or recording in such a way that could lead to misinterpretation of the proceedings, or infringe the core values of the council.
