Parish Councillors and Parish Clerks
Manhood Peninsula and Harbour Villages

16 December 2021

Dear Parish Councillors and Clerks

March for Manhood and Harbour Villages

We are holding a march on Saturday 29 January at 10.00 from Priory Park to County Hall to highlight the campaign to protect the Manhood Peninsula and Harbour Villages from further development. This is being organised under the umbrella of Caring for our Community Ltd.

Whilst it is good news that CDC has been able to identify a five-year housing supply, our concerns continue that both the Manhood Peninsula and Harbour Villages remain unprotected until the Local Plan is in place. Additionally, we want to ensure that the unique identity of these areas is recognised in the Plan, with every effort being made to protect rather than develop.

We would like to invite you to join us on the day. The petition is:

<https://you.38degrees.org.uk/petitions/stop-the-urbanisation-of-the-manhood-peninsula>

We would be very grateful if you could publicise this as widely as possible, within your parish.

We hope to see you on the 29th

Kind regards

Joan Foster
